The Canada-Newfoundland and Labrador Offshore Petroleum Board (the Board) hereby calls for the submission of Nominations of Parcels within the boundaries of **Sector NL05-EN** described herein for consideration to be included in a **Call for Bids** in 2022.

The terms and conditions of any sample exploration licence offered would be similar to that contained in **Call for Bids No. NL20-CFB01, as updated by the “Notice to Potential Bidders” dated August 20, 2020**, both of which may be found on the C-NLOPB website.

***The Board reserves the right to change terms and conditions prior to the issuance of any Call for Bids.***

**5. Obligations of the Parties**

This Call for Nominations and any submission received in response thereto shall neither constitute nor give rise to any obligation on the part of the nominees to participate in or on the part of the Board to proceed with a Call for Bids in respect of any lands nominated.

**6. Caveat**

Any sector, parcel or licence depicted in Schedule I beyond 200 nautical miles off the coast of Newfoundland and Labrador is not represented by the Board to reflect the full extent of Canada's continental shelf beyond 200 nautical miles. Canada has filed a submission regarding

the limits of the Outer Continental Shelf in the Atlantic Ocean with the Commission on the Limits of the Continental Shelf, the review of which is pending. Any call for bids based on a sector or parcel identified in this map and any licences issued in those areas will be subject to approval as a Fundamental Decision under applicable legislation. The boundaries of sectors, parcels or licences in areas beyond 200 nautical miles may be revised to reflect the limits of the Outer Continental Shelf established by Canada. All interest holders of production licences containing areas beyond 200 nautical miles may be required, through legislation, regulation, licence terms and conditions, or otherwise, to make payments or contributions in order for Canada to satisfy obligations under Article 82 of the United Nations Convention on the Law of the Sea.
