1.0 Canada-Newfoundland and Labrador Offshore Petroleum Board - Profile

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB or the Board) is responsible, on behalf of the Government of Canada and the Government of Newfoundland and Labrador, for the regulation of petroleum-related activity in the Canada-Newfoundland and Labrador Offshore Area.

The Board's authority is derived from the legislation implementing the February 11, 1985 Atlantic Accord between the two governments. The *Canada-Newfoundland and Labrador Atlantic Accord Implementation Act* and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act* (“the Accord Acts”) provide for joint management of the offshore area.

2.0 Call for Bids No. NL22-CFB02 - Land Plats

3.0 Call for Bids No. NL22-CFB02

3.1 Call for Bids

The C-NLOPB hereby makes a call for the submission of bids in respect of ten **(10)** parcels of land in the Canada-Newfoundland and Labrador Offshore Area as described in Section 2.0 and Schedule I.

This call for bids is made pursuant and subject to the *Accord Acts*.

The Board informs prospective bidders that, for any parcel entirely or partially beyond Canada's 200 nautical mile zone, it has been advised by the Government of Canada that, in order to meet obligations arising pursuant to article 82 of the *United Nations Convention on the Law of the Sea*, additional terms and conditions may be applied through legislation, regulations, amendments to licences or otherwise.

Any submission of a bid in response to this call for bids shall be made with the understanding that the person(s) submitting the bid accepts and agrees to the terms and conditions in this call for bids. Any bid submitted that does not conform to the terms and conditions provided in this call for bids will not be considered by the Board. Unless otherwise provided herein, all terms used in this call for bids will have the same meaning as provided under the *Acts*.

The South Eastern Newfoundland land tenure region includes a number of important areas for fish harvesters who fish crab and other species. Potential bidders are reminded that companies acquiring Exploration Licences would be expected to engage with fishing interests before any petroleum-related activities are authorized. The C-NLOPB is continuing its own engagement efforts with fishery stakeholders and Fisheries and Oceans Canada (DFO), recognizing that the fishing and petroleum sectors, both important industries, operate in this common marine environment.

3.2 Submission of Bids

- a) This call for bids will close at **12:00** p.m. Newfoundland Standard time, on **November 2, 2022** (the "Closing Date"). Bids must be received at the Board's address in 3.2(c) below prior to the Closing Date. Bids received after the Closing Date will not be considered.
- b) The manner of submitting bids shall be through the submission of Bid Packages. Each Bid Package shall be comprised of the following:
 - One Bid Response Form (either a Single Parcel Bid form or a Priority Parcel Bid form)
 - a Bid Deposit cheque

- a Parcel Issuance Fee cheque
- cheques to be denominated in Canadian dollars

Each Bid Package shall be in a separate sealed envelope clearly marked as follows:

Call for Bids No. NL22-CFB02
Canada-Newfoundland and Labrador Offshore Area

- c) Bid Packages may be grouped together in one courier envelope. Bid Packages must be sent to the Board at the following address:

Canada-Newfoundland and Labrador Offshore Petroleum Board
 240 Waterford Bridge Road
 The Tower Corporate Campus - West Campus Hall
 Suite 7100
 St. John's, NL A1E 1E2
 ATTENTION: The Chair

- d) Bids may be submitted as a Single Parcel Bid or as a Priority of Parcels Bid. Each bidder has the option of either restricting a particular bid to a single parcel, using the form found in Part A of Schedule II (Single Parcel Bid), or allowing a particular bid to apply to more than one parcel offered in Call for Bids No. NL22-CFB02 in the order of the bidder's stated preference, using the form found in Part B of Schedule II (Priority of Parcels Bid). Where a bidder exercises the Priority of Parcels Bid option, that particular bid will continue to apply in the order as stated in the form, as a separate bid for each of the preferred parcels in turn, until the bid becomes the highest acceptable bid for that particular parcel. Should that occur, the bid would then affix itself to that parcel.

For greater certainty, no more than one parcel can be awarded for a particular Priority of Parcels Bid, nor can such a bid be combined with any other bid submitted.

- e) No submission received in response to this call for bids will be returned.
- f) Each Bid Response Form shall be in the form provided at Schedule II and shall contain only the information required in the appropriate Bid Response Form (i.e. Single Parcel Bid or Priority of Parcels Bid).
- g) This call for bids may be amended at any time up until 10 days prior to the Closing Date specified in paragraph 3.2(a). Any amendment made to this call for bids shall be published on the Board's website (www.cnlopb.ca) under the heading "What's New!".

- h) The area covered by this Call for Bids is within the study area for the Regional Assessment of Offshore Exploratory Drilling East of Newfoundland and Labrador, which focused on the effects of existing and anticipated offshore oil and gas exploratory drilling in the subject area. This Regional Assessment, which was completed in February 2020, builds upon the experience and knowledge gained through the assessment of previous projects.

Questions regarding environmental assessment should be directed to the Impact Assessment Agency of Canada.

3.3 Bid Selection Criterion

3.3.1 Work Expenditure Bid

- a) For the purpose of assessing and selecting a bid, the sole criterion to be used for all parcels will be the total amount of money the bidder commits to expend on exploration of the respective parcel and on research and development and education and training within Period I ("Work Expenditure Bid");
- b) In submitting a Work Expenditure Bid, the bidder commits to spend at least 95% of the Work Expenditure Bid on exploration of the respective parcel;
- c) There is no obligation for the bidder to include or to commit to spend money during Period I on research and development or education and training, as part of the Work Expenditure Bid. However, in the event the bidder spends money for such purposes, a maximum of 5% of the Work Expenditure Bid may be applied for as an Allowable Expenditure in accordance with the terms and conditions more particularly described in the Sample Exploration Licence, annexed as Schedule IV of this Call for Bids No. NL22-CFB02.

3.3.2 Minimum Bid

A Work Expenditure Bid of at least **\$10 million CAD** for each of the parcels in this Call for Bids NL22-CFB02 will be required.

3.3.3 Deposits

- a) Bid Deposit
 - (i) For all parcels, each Work Expenditure Bid must be accompanied by a **bank draft or certified cheque** in the amount of \$10,000.00 CAD made payable to the **Receiver General for Canada** ("Bid Deposit"). No more than one Bid Deposit will be required for parcels included as part of a

Priority of Parcels Bid referred to in paragraph 3.2(d). Electronic Fund Transfers will not be accepted.

- (ii) Each successful bidder will receive a refund, without interest, of the Bid Deposit when the Security Deposit (defined below) is posted within the time specified.
- (iii) Failure to post the Security Deposit within the specified time will result in forfeiture of the Bid Deposit and disqualification of the bid.
- (iv) Upon announcement of the bid results, the Bid Deposits of unsuccessful bidders will be returned, without interest, as soon as possible.

b) Security Deposit

- (i) For all parcels, the successful bidder will be required to provide, within fifteen (15) days of notification of being the successful bidder either:
 - (a) irrevocable standby letter of credit; or
 - (b) or a promissory note, accompanied by a bank letter of guarantee

in the amount of twenty-five percent (25%) of the Work Expenditure Bid ("Security Deposit"). The Letter of Credit or the Promissory Note and Bank Letter of Guarantee should be submitted to the following via **SWIFT**:

Swift Code: ROYCCAT2

Address: Royal Bank of Canada, 180 Wellington Street, 4th Floor, Toronto, Ontario, Canada, M5J 1J1

- (ii) A credit against the Security Deposit will be made following each anniversary date of the Exploration Licence on the basis of the Allowable Expenditure percentages that are applicable pursuant to Section 6 of the Sample Exploration Licence annexed as Schedule IV of this Call for Bids No. NL22-CFB02. Any Security Deposit balance remaining:
 - (a) at the end of Period I, in the case of a well commenced and terminated within Period I, or
 - (b) following the termination of a well commenced in Period I which is pursued diligently and terminated within Period II, or
 - (c) upon surrender of rights,

will be forfeited.

Allowable Expenditures which are expended in Period II shall not be credited against the Security Deposit except in the case of expenditures related to a well referred to in subparagraph 3.3.3(b)(ii)(b) above.

- (iii) The Board will allow bidders submitting a joint bid to submit separate irrevocable standby letters of credit or promissory notes, accompanied by separate bank acceptance letters, representing their proportionate shares of the required Security Deposit. **A bidder's designated representative will be responsible for collecting and submitting irrevocable standby letters of credit or promissory notes and bank acceptance letters of the joint bidders.** A default in submitting the Security Deposit will result in forfeiture of the Bid Deposit, disqualification of the bid, and notification to the second place bidder, if one exists, that they are the successful bidder.
- (iv) The irrevocable standby letters of credit or promissory notes and bank acceptance letters are to be submitted in a form attached hereto as Schedule III.

c) Return of Bid Deposit

Bid Deposits will be returned by courier service.

3.4 Parcel Issuance Fee

A cheque in payment of the Parcel Issuance Fee recoverable pursuant to the *Canada–Newfoundland and Labrador Offshore Petroleum Cost Recovery Regulations* is required and to be made payable to the Receiver General for Canada. Such fee must be submitted with each Bid Package in the respective amount indicated below:

Parcel No. 1	\$2,250	Parcel No. 2	\$3,000	Parcel No. 3	\$2,250
Parcel No. 4	\$2,500	Parcel No. 5	\$2,750	Parcel No. 6	\$3,250
Parcel No. 7	\$2,750	Parcel No. 8	\$2,750	Parcel No. 9	\$3,250
Parcel No. 10	\$3,500				

Cheques for issuance fees will be returned to unsuccessful bidders in accordance with paragraph 3.3.3.

Note that for greater certainty, separate cheques for the respective issuance fee must be submitted for each parcel included in a Priority of Parcels Bid option referred to in paragraph 3.2(d).

3.5 Terms and Conditions

The Terms and Conditions for any Exploration Licence issued as a result of this Call for Bids No. NL22-CFB02 can be found in the Sample Exploration Licence, annexed hereto as Schedule IV.

3.6 Identity of Bidder

All bids must identify the parties making the bid and their participating shares. The Board will accept bids from land brokers acting on behalf of bidders, provided the Board is notified of the identities of the bidders represented by the broker and their participating shares if the bid is successful.

The Board will disclose the identity of the successful bidders at the time of the public notice setting out the terms and conditions of the successful bid. The Board will also disclose the identity of unsuccessful bidders on a confidential basis to Ministers, if requested by a Minister, pursuant to section 18 of the *Accord Acts*.

3.7 Notification to Bidders

The Board will advise bidders of the outcome of their bids as soon as possible after the closing date of this call for bids.

3.8 Canada-Newfoundland and Labrador Benefits Plan

With respect to any future work or activity on a parcel, a benefits plan shall be submitted to the Board and approved in accordance with section 45 of the *Accord Acts*.

The successful bidder will be required to comply with the procurement, employment and reporting procedures established by the Board in its *Exploration Benefits Plan Guidelines* which can be found on the Board's website (www.cnlopb.ca) under the heading "Legislation and Guidance".

3.9 Environmental Studies Research Fund (ESRF)

- (a) The successful bidder must pay Environmental Studies Research Fund (ESRF) levies under Part VII of the *Canada Petroleum Resources Act*, R.S.C. 1985, c. 36 (2nd Supp.), for the year in which the Exploration Licence is issued and retroactive levies for the two preceding years. Thereafter, ESRF levies as fixed from time to time by the federal Minister of Natural Resources will be payable unless the

Interest Owner surrenders the Exploration Licence prior to the payment due date.

- (b) ESRF matters are not administered by the Board and are the responsibility of the federal Minister of Natural Resources. ESRF levies are determined by multiplying the number of hectares of land included in the Exploration Licence by the ESRF levy rate for the applicable region. Rates are provided on the ESRF website: www.esrfunds.org.

3.11 Tied Bids

In the event of two or more bids being tied, each bidder involved will be notified of the tie and will have the opportunity to submit a new bid in its proper form, within a time frame specified by the Board, which will not be more than 24 hours after being notified.

3.12 Issuance of Interests

(a) Exploration Licence

Any Exploration Licence that may be issued with respect to the lands described in Schedule I shall be in the form and contain the terms and conditions of the Sample

Exploration Licence, annexed hereto as Schedule IV, and forming part of this call for bids, subject to such changes or additions as may be necessary to be consistent with the *Acts* or the regulations and the terms and conditions provided therein.

(b) Resulting Significant Discovery Licence

Any resulting Significant Discovery Licence respecting the lands of any Exploration Licence resulting from the offer of a parcel in this Call for Bids NL22-CFB02 will be subject to the terms and conditions for Significant Discovery Licences existing at the time a Significant Discovery Licence is requested pursuant to the *Act*. A sample Significant Discovery Licence can be found as a Schedule to the sample Exploration Licence.

3.13 *Surrender of Interest*

An interest may be surrendered, at any time, in accordance with the *Acts* or regulations promulgated thereunder.

3.14 *Non-Compliance*
